

AGREEMENT ON COOPERATION

between the

CONFÉDÉRATION INTERNATIONALE DE LA PECHE SPORTIVE (CIPS)

and the

EUROPEAN ANGLERS FEDERATION (EAF)

The two international organizations being aware of the fact that the future of the angling and especially of European angling needs cooperation badly to improve the defending and promoting of angling have decided on strengthening their cooperation

- for sharing information; particularly on defending water environment and fish species
- for inviting and participating as observers on the Congresses of the CIPS and the Presidential Council's meeting of the EAF
- for working together in cooperation on the sustainability of the angling in Europe

Dated 3 October 2015 in Milano

The President of the CIPS

FERENC SZALAY

The President of the EAF

OTAKAR BROZ
